Make Plans to Attend the 2010 GES Athletic Banquet!

The GES Booster Club will be hosting an Athletic Banquet to celebrate sports at Grace. All students grades 4 and up who participated in a sport, cheerleading or Gatorettes are encouraged to attend, along with their parents and grandparents. It will be a wonderful opportunity to recognize athletic achievement, watch a highlight slideshow of the year in sports at Grace, and to thank all our coaches.

The Banquet will be at Bayou Desiard Country Club on Friday, **April 23rd** at 6 pm. Dinner will be provided. The keynote speaker will be Mike Dejean of Athletic Republic. Mike will talk on "The Importance of Athletics and Academics." Participation medals for each sport will be given to all athletes that played during the 2009-2010 school year. A Most-Valuable Player (MVP) of each team sport will be selected by the coaches of that team, and each MVP will be presented a trophy. An Outstanding Middle School boy and girl athlete will be selected by a committee consisting of coaches, Coach V, and a booster club officer. The selection of Outstanding Athlete is based on the following criteria:

- A significant contributor on their team.
- In good academic standing.
- Demonstrated great respect for competitors, school, teammates, and coaches.
- Showed the ability to accept victory and defeat graciously.
- Conveyed a high degree of humility and integrity.
- Demonstrated their commitment in the classroom and service to the community.
